

The Atlantic Inn

To facilitate your enjoyment of the food and wine tradition, we have compiled a representative selection of wines for your perusal.

The wines are predominantly from the United States and France with a representation from the rest of the world. They are categorized by grape variety, as done in the United States, rather than by region as is common in Europe.

A brief descriptive paragraph on the characteristics of each grape variety will be found on the back pages of this presentation.

We hope this will assist you in your selection.

Bon Appétit !
